ORIENTATION JANUARY 2017

The overall card collection rate for January 2017 new student intake has improved significantly. Almost all the students have managed to collect their cards within the stipulated timeframe as requested by the UCSI policy. The remaining students are advised to collect from the International Support Team (IST) located on the 2nd Floor, Block A, Kuala Lumpur (South Wing).

Students are encouraged to collect the UCSI 1 Card to enjoy exciting promotions around campus and soon-to-come awesome discounts around the Campus and Klang Valley!

ENGAGING WITH MORE MERCHANTS

UCSI 1 Card has engaged 17 merchants within the campus grounds to promote cashless transactions through Hong Leong Connect. Students and staff are already enjoying promotions and discounts from participating merchants.

We are now expanding to engage more merchants outside and around the Campus to offer the UCSI Community with many more benefits. With the UCSI 1 Card, we aspire to see more staff and students enjoy great discounts when they wave their new UCSI 1 Card to the cashier at the participating outlets.

Members are encouraged to pay with the UCSI Debit Card if merchants subscribe with payWave. When you participate, more merchants will be encouraged to join this endeavour to create benefits and better deals for all!
